

Second Course in Algebra (Classic Reprint) (Paperback)

By Herbert E Hawkes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Second Course in Algebra This revision of the Second Course in Algebra has been carried out in the same spirit as was the recent revision of the First Course in Algebra by the same authors. The exercises and problems, mainly new, have been carefully graded, and the exposition has been wholly rewritten. Some advantageous changes have been made in the order of topics, and some chapters for which no well-grounded demand exists have been omitted. Such simplifications of exercises and exposition have been made as are consistent with a standard course in third-semester algebra. In the chapters devoted to a review of first-year algebra the fact was borne constantly in mind that the material would be handled by students who had not pursued the study of algebra during the preceding year. It was consequently thought desirable to have work in equations come much earlier than before. The subject of fractions, the topic usually most in need of review, has received full and careful treatment. Linear systems have been presented without the use of determinants. Instead...
