Createspace, United States, 2013. Paperback. Book Condition: New. Paul Klee (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. PREFACE. Before sending forth this little book, I consider it my duty to request the attention of the patient reader to a few introductory and explanatory remarks. During some portion of the past year I contributed a series of short papers upon the cat to that most admirable monthly The Animal World. Through the kind and hearty manner in which the Editor brought the papers out from month to month, and also by the expressed desire of many[Pg vi] friends, I have been encouraged to reproduce the papers in the present form. Some slight revision has, of course, been found necessary; but very little addition has been made, it being my desire to produce a small and attractive volume, with the hope that it may reach to many homes where the hints it contains can perhaps be of some practical service. Nevertheless, I hope there may be found enough interesting or instructive matter to excite in the mind and heart of some a deeper interest in or regard for an animal that too often is esteemed worthy of but slight attention. I am indebted to Mr. Harrison Weir for his kindness in supplying me with a few particulars connected with the[Pg vii] organization of the first Cat Show, held at the Crystal Palace, in 1871. In the last chapter the reader will see that I have made several quotations, somewhat at length: I have done so with the very kind and ready permission of the writer, MR. HAROLD LEENEY, M.R.C.V.S. P. M. RULE. MAIDSTONE.
