Arte Publico Press, United States, 2014. Paperback. Book Condition: New. Bilingual. 213 x 137 mm. Language: English . Brand New Book. The second installment in Rolando Hinojosa's acclaimed Klail City Death Trip Series returns to South Texas, where Mexicans and Anglos share an uneasy coexistence. Don Aureliano Mora waits three years for justice after his son, a World War II veteran, is murdered by a Belknap County Deputy Sheriff. When the Anglo gets away with murder, Don Aureliano takes matters in the shape of a crowbar into his own hands, pulverizing the plaque in old Klail City Park that honors the town's World War II vets. The younger generation has to fight for equality, too. The Texas Mexican boys playing high school football in Klail City didn't get letter jackets, even though all of their Anglo peers did. And when the Mexican boys weren't interested in hustling for the ball the following year, the school board came up with enough money for all the eligible players to get letter jackets. In the end it didn't really matter; several of the Mexican boys died in the Korean War. But life goes on in Klail City. The rains come and go, crops are raised and people are buried. This is the first bilingual edition ever available of this important novel. Originally published in Cuba in the 70s, the Spanish edition won the esteemed Casa de las Américas Prize in 1976. The English-language version was published by Arte Público in 1987. Frequently compared to William Faulkner's *Yoknapatawpha* and Gabriel García Márquez's *Macondo*, Rolando Hinojosa's Klail City Death Trip Series is required reading for anyone interested in life along the Texas-Mexico border in the twentieth Century.
