By Chris Carlsson

AK Press, United Kingdom, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. As major agriculture and oil multinationals set their sights on emerging markets for agrifuels, Carlsson describes caravans of veggie oil powered vehicles, smelling of popcorn and French fries, taking to the streets to spread inspiration and know-how about sustainable, small-scale biodiesel production [This book is] a timely and valuable contribution to understandings of the myriad ways in which creative resistance operates always and everywhere. - WorkingUSA: The Journal of Labor and Society Outlaw bicycling, urban permaculture, biofuels, free software, and even the Burning Man festival are windows into a scarcely visible social transformation that is redefining politics as we know it. As capitalism continues to corral every square inch of the globe into its logic of money and markets, new practices are emerging through which people are taking back their time and technological know-how. In small, under-the-radar ways, they are making life better right now, simultaneously building the foundation technically and socially for a genuine movement of liberation from market life. Nowtopia uncovers the resistance of a slowly recomposing working class in America. Rarely defining themselves by what they do for...
