Choosing to homeschool your child isn't a decision you want to take lightly. As parents, teaching your child is second nature. You teach them to talk, walk and educate them about what to eat. It is fairly natural to want to be in charge of their formal education as well. I'll help you navigate the ins and outs of the process before you're committed so you know exactly what to expect. Maybe you're struggling to get organized in your homeschool effort. It is absolutely crucial to your child's learning success for you to stay organized. Creating a space that encourages learning and differentiating it from the rest of the home is a great first step. I have devoted an entire chapter to helping you get organized. Homeschooling Essentials is your one-stop resource for making your homeschool experience a success. If you are leaning in the direction of homeschooling your child, you will feel confident you have all the facts after reading this book. I have included proven steps and strategies on how to take on the all-important role of your child's teacher. And I should know, I have homeschooled all 3 of my children with great success! I have packed in numerous resources for finding materials to make sure this is...
