I've used every Microsoft Operating System (OS) since the days of MS-DOS in the 1980's and over the years I've seen huge improvements in usability and design. I would never have imagined how far PCs have come since then. However, looking back there were a few bumps along the road, with Windows Vista and more recently Windows 8 being some of the least popular versions of the OS. Vista was a visually stunning OS let down by poor performance on a wide range of hardware, while Windows 8 was a radical redesign that never really took off. Microsoft's mission with Windows 10 is to combine the best features of Windows 7 and 8 to give the 1.5 billion Windows Users...
