He was fated for another, but created to love her . Decreed by Elders, alpha Jaguar Shifters Lyon Savage and his brother must decide Pride rule in a way not seen for centuries. Under a Shifter's Moon, a mating can take place with a chosen human to produce a child, and the father of that child will become the one Alpha. Now Lyon must choose the love of his Truemate-or accept the decree to save his Pride and secure his future. Strong and selfless, Kitlene is a rare woman whose blood, like her niece's, carries something of the Shifter within its DNA. Willing to sacrifice herself for the sake of family, she offers herself to the Alpha Cat whose very presence pulls at her soul-and whose love brings with it a deadly complication. **Reviews and Other Information:** With a smooth style that immediately engages the reader, and strong, visual world-building, Kari Thomas pulls you into her edgy story of shifter twins and their battle to survive and rule. Remember her name. Clearly, she is a rising star in the paranormal genre worthy of notice. Deborah MacGillivray, award-winning author of One Snowy Knight Paranormal romance author Kari Thomas really turns up the heat and keeps it burning with every growl and lick in UNDER A SHIFTERS MOON! In my opinion, her best to date, this book is a fast-paced ride through the dangerous lives of a Shifter Jaguar and his Truemate. Be prepared to be scorched with the sensual love story that will remain in your heart and mind for a long time! Author Amber Polo.
