Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Often when we read a short story, we wonder about the surrounding events that placed the idea in the author's mind. Over the years, I have written short stories to amuse close friends and relatives. Countless have been lost over the years but some of the old favourites remain. Different Eyes is a chat around the stories, to show where some of the ideas came from and how things can often change when viewed through another's eyes. This book will make you laugh a lot, cry in places, but most of all it will show you life from a different perspective.
