James Maberly Publications, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Why do we follow rules and organised systems so blindly and so willingly? Why do so many of us draw our sense of worth from the opinions of others rather than from ourselves? Why do we ignore the most important resource we will ever have: our intuition? Through a series of eight questions, Maberly invites us to consider these points and in particular to embrace our intuition. His chapter on leadership is both fascinating and persuasive and encourages us to recognise the wisdom and effectiveness of servant-leadership, as indeed did Nelson Mandela. His interview with UK multi-millionaire Scott Russell offers some excellent lessons on how embracing our intuition is integral to maintaining success. Scott's growth over the last few challenging financial years has now become legendary. It's time to reflect, and to reconnect with the one person who can make it all happen - you.
