ARIES HOROSCOPE 2016 (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In some ways it is a rites of passage year where you need to prove yourself, reach personal milestones and make your mark on the world. This is a year where identity issues matter greatly - you will be more in touch with who you are and who you want to be and you will be less tolerant of the demands others put on you if they are not consistent with your inner nature. It is not a case of being who you are and looking for acceptance; it's about being who you are and loving and accepting yourself no matter what others think. Following the success of HOROSCOPE 2014 and 2015, Lazuli will again be releasing 12 books: one for each star sign's horoscope for 2016. A big thank you to all the amazon buyers who supported me in 2014 and 2015. Are you looking in the mirror wondering what 2016 will hold? Do you feel at an important crossroads? Do you need direction or a kick start? Are you wondering what now in terms of love and relationships? How are the Stars lining up for you in 2016? What opportunities can they supply the energy for? Popular resident astrologer of BBC WM Lisa Lazuli takes her straightening, down to earth approach to astrology from the air waves to the bookshelf with this insightful and motivational book. Includes a detailed yearly overview for Aries, followed by monthly forecasts broken into love, life and career. A chatty, sincere read to help inspire, guide and alert you to the unique possibilities of your life on a practical, emotional and spiritual level. NOTE: These are monthly horoscopes.
