### Reviews

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Some books do not only fulfill this aim but also have a message. Young children should learn something important by reading those books. Those books are relevant for children's literature because the children enjoy learning when the story is good and interesting. But what makes a book a relevant book Is it only the message, only the story, the characters or all of those This essay will show if Jerry Spinelli's books Stargirl, Loser and Wringer do have a relevance in children's literature and why by characterizing the protagonists and by finding out what Spinelli's messages are. Those three books have been chosen because the protagonists are outsiders and therefore the books are ofcomparable topics. 28 pp. Englisch.
