The Trillion Dollar It Revolution: A Unique Process to Stop Enormous It Project Failures (Paperback)

By Urs Milz

Media Press Association, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Through extensive analysis, there are a wide range of studies and statistics showing all that 30 - 70 of IT projects fail. Financially of great importance is the fact, that the average company has listed at risk - projects for 74 million dollars every year. This important gap in IT project management calls for action. This book describes the important and neutral role of the IT Project Coach to ensure the success of an IT project. As a pilot who helps big ships to enter the harbor safely, an ITP Coach assists all project members to build a guaranteed success with the highest motivation. This book shows a process to improve the IT Project Management, saving a massive amount of money. Urs Milz aspires to make working more enjoyable in IT, refocusing from Human Capital to Human Beings. A holistic vision of leadership, communication and success in today s IT world.
