Winterskymoonranch, United States, 2012. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. After a long day of teaching riding lessons and training horses, the idea of cooking a nutritious meal was often monumental. Debbie began to use her slow cooker more and more, and to this day, almost every meal she makes is prepared with one. A first of its kind, this cookbook is filled with easy to use slow cooker recipes for horse lovers that can be prepared in 15 minutes or less. This allows a rider to put together a nutritious healthy meal that will cook while they are in the barn, out on a trail ride, even at a show, giving them more time with the horses, and less time in the kitchen. Over 100 recipes that include: appetizers, soups and stews, breakfast recipes, main dishes, desserts and even horse treats! Each recipe includes a horse lover's quote, and brief histories and photographs surrounding the earliest breeds of horses that helped to shape the American landscape are included. From Chicken and Dumplings to Chocolate Cake, it's all in the cookbook.
