

## Birthright: Book One in the Shepherd's Moon Saga (Paperback)

By J Anne Fullerton

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Birthright werewolves were once the companions of kings. They lived among humans as pets and guardians until it was discovered that the Bite of a Birthright passes an infection that creates a more violent and uncontrollable werewolf called Sauvage. Only humans are susceptible to the Bite and most quickly go insane, unable to handle the wolf that is thrust inside them. They are taken over by the wolf and morph into monsters. Few are capable of controlling their wolves and they are indeed the lucky ones. Because elves and fae are immune to the Bite, their warnings against creating Sauvage go unheeded by the humans. In the late 16th century, one Sauvage stood against the humans in a struggle for werewolf independence. He was defeated by the humans, but only with the aid of the elves. Werewolves regard him as a god-like hero. Humans consider him a Judas. The elves and fae keep their opinions to themselves. In the ensuing centuries, Birthright werewolves have become mere shadows of their former glory. They are feared, shunned and in...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
