Twentyfirst Century Shakespeare is a new and exciting approach that opens up Shakespeare to a new generation of students. The text is the full traditional Shakespearean text presented in a more familiar, friendly, helpful format. If you are a student you will probably find reading Shakespeare easier than you thought possible. You will be able to read through scenes more quickly, more fluently and with greater understanding. The notes in the margins make things easier by shedding light on tricky words and phrases. You do still have to do some work but you will be surprised by how quickly you can become familiar with Shakespearean English. This is warm fuzzy Shakespeare designed to make your life a little easier. But dont take my word for it, open the book and take a look inside. If you are teaching Shakespeare you will hear your students read with more fluency and confidence, with greater expression and comprehension. This edition can save you so much time and energy. You can concentrate on developing your students breadth and depth of knowledge and...
