Today only, get this Amazing Amazon book for this incredibly discounted price! Some people think that acquiring and doing more will make their lives more satisfying. They work really hard to live in a nice house, own the latest technology, drive an expensive car, go on expensive vacations, and just basically live a life filled with all the material comforts that everyone wants to have. Many people have this notion that the more they have, the happier they will be when in fact the desire for material things only make them less satisfied and happy because this desire never ends. Once you acquire that thing that you want, you will only move on to another desire that makes this whole process a never ending cycle. Accumulating things also makes your life more complicated because it keeps your space...
