Seeing the text afresh from within its ancient context and a different, modern social location will challenge readers in the West to consider once more Paul s message of transformation through the Spirit, with implications for Western Christians in their own context and in the larger global matrix of the Church universal. Endorsements: True to the spirit of Paul, David deSilva, in his creative work Global Readings, allows the Christian church to relive Paul s theology in his Letter to the Galatians and to participate in the challenges faced by the Sri Lankan church today.
