By Barb Dunn

Xulon Press, United States, 2014. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What is this? Where did it come from? How long has it been there? These were the thoughts that kept Barb Dunn from sleep one night in January 2011 after finding a lump in her left breast. Visits with doctors and a battery of tests soon revealed that Barb had atypical lobular hyperplasia, a high-risk indication that she could potentially be diagnosed with breast cancer and which led to her choice for a bilateral mastectomy. Instead of doubting her future or giving up hope, Barb put her faith and trust in the only comfort she knew, God Almighty. Her new book, Whispers of Wisdom, comprises a collection of journal entries, emails and personal reflections that create a chronological flashback to her life-changing health ordeal. Although the thought of having potentially cancerous cells in my breasts frightens me, I have information. I don't know what final decisions I will eventually make using this information but at least I have the knowledge. Now, I need the wisdom. There are so many details, so many pieces to put...
