By United States Government Us Army

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This manual serves as a planning and operations guide for all personnel involved in mortuary affairs (MA) within a theater of operations (TO). These personnel must ensure the MA mission is completed with available personnel and equipment. They must also know the types of problems they may face in performing the MA mission. This manual will assist in determining operational capabilities and limitations and help guide the allocation of resources to successfully complete the mission. This manual outlines existing doctrine and relates policy, procedures, and standards. This publication applies to the Active Army (AA), Army National Guard (ARNG)/Army National Guard of the United States, and United States Army Reserve (USAR) unless otherwise stated. It is designed for use as a guide to operations and procedures by commanders, supervisors, and planners. The use of Automated Information Systems (AIS) that are used to execute business functions is common throughout the sustainment mission area. The specific automation requirements and functional software applications that will support MA operations for the total Army are under development. Automated systems include the Global Combat Support...
