ROWMAN LITTLEFIELD, United States, 2012. Paperback. Book Condition: New. 246 x 148 mm. Language: English . Brand New Book. Looking back at 80s Hair Metal, one thing is apparent-every band looked and sounded exactly the same. According to legend, this is because of a secret text written by an anonymous record label in 1984 that promised fame and fortune to anyone who followed it word-for-word. As the music scene started to change in the 90s, this text faded into obscurity, never to be read and followed again.until now. Here, in all its glory, is a replica of that original text, painstakingly rewritten word-by-word for today s retro music hopefuls to follow. The text, which covers everything from how to write music to how to dress, includes the following illustrated tips:On How to Look:Be sure to showcase your chest 75 percent of the time.On How to Write Music:Use excessive umlauts in song titles.Write a song for all the ladies out there, and declare it in the intro.On How to Play: Multiply the number of amps you need by six.
