Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Each poem is a window through the eyes of a 19 year-old Autistic youth who suffers from Asperger s Syndrome. Joshua sees the world from a different perspective to others. Some of his poems demonstrate the grueling obstacles he faces in ordinary life whilst others demonstrate his interest in literature and general art. Each poem has been difficult to write, as some people with Asperger s find it challenging to explain not only their emotions but also the sights and visions stored within their minds. Read on and look between the lines of these diverse poems, written so anyone of any experience can understand their meaning and deep symbolism. See the poetic views of a determined young adult who lives between the lines of normality and abnormality.
