Emotions are the link between body, mind, spirit, and all our relationships, yet as Westerners we have been trained from our earliest years to repress our emotions. In our society, those who appear the least passionate are seen as strong, confident, and mature. In our desire to attain this goal, we often suppress our deepest emotions, eventually causing a blockage of energy that leaves us numb and unable to access our authentic feelings. Michael Sky explains that emotions are the vital energy source inside each of us that we can harness and direct in a positive way to promote better physical health, mental clarity, creativity, and more satisfying relationships. He...
