America Star Books, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A man, just like any other, stays somewhere on a street, on a terrace, at home, or at a campsite. You should be able to see everyday life with a wink because humor is everywhere and is always lurking. A Bunch of People carries a motley collection of human experiences wherein a short fuse is put into perspective. This is a book for the young and old and it aims to make you happier. It doesn t talk about important people and issues but the ordinary man. Istvan A. Koning is a storyteller by nature. He has composed numerous Dutch songs, nursery rhymes, and has written children s musicals. Istvan has also exhibited his drawings and paintings titled Chantant 3, which filled the theaters. To date, he writes short and long stories, poems, and essays. Being a philosopher-artist, science challenges him when he writes about the soul, spirit, and matter. He expresses his ideas in a very airy and accessible language.
