Cassie MacElvy believes she's a fae princess, but her life of pretty gowns and constant parties is an illusion. Trapped in a twisted spell, Cassie uses her psychic Gift to help the Black Queen hunt down the rebel Prince Kian and his human wife, never knowing she's hunting her own sister. But when a handsome black-eyed fae kisses her, the fairy tale begins to crumble, and she tumbles down into a confused rabbit hole of memories and magic. Bosco is the court's fool and a womanizer, but secretly he's a spy, looking for a missing human psychic. All he has to do is find her and hand her over to his mysterious employer, and he'll finally have enough power to complete a quest he started nearly a hundred years ago. When he runs into a beautiful fae princess who shouldn't exist, he knows something is very wrong in the Queen's court. But lovely Cassie might be the only person who can help him achieve his quest, and Bosco decides he will root out all of Cassie's secrets, even if it means losing her trust. Dare to enter Jessica Aspen's world of steamy, fantasy romance in book three of her fairy tale trilogy: Tales of the Black Court.
