In the grades of both the junior and senior high school the medians of the two forms, when averaged and compared with age norms, are decidedly above the Otis medians for adult intelligence. Similar results are secured when the medians of the combined scores of the five upper grades are calculated, the range being from 148 to 181 inclusive - from 18 to 51 points above the Otis standards for adult intelligence. Mr. Nickerson's results in the Belmont Junior High School, as shown in Tables IV and V, point in the same direction. For example, of 124 pupils in the eighth grade taking Form B, 97 attained...
