## Church Misbehaving: Addressing Sin in the Church

By Evangelist Dr. Hazel L. White

Tate Publishing & Enterprises. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 8.2in. x 5.2in. x 0.5in. There is a serious problem evolving in the modern church. Churches are becoming unbelievably corrupted. The church leaders are involved in inappropriate sexual sins such as adultery, homosexuality, and fornication; sins of pride; sins of lack of compassion for the sick, the elderly, widows, and the poor; sins of greed for power and money; and sins related to misuse of words and the tongue. The big question is why these behaviors are tolerated in the church. Church Misbehaving reviews the declaration in 2 Timothy 3: 16-17, which emphasizes the responsibility of the church for disciplining those who are misbehaving. Church discipline is crucial for church growth and effectiveness, so what is going on with the modern church when it comes to disciplining its misbehaving leaders and members? Is the church failing in its responsibilities? Do church authorities know how to discipline? Or does it care? Drawing on her experience as a minister, Dr. Hazel White portrays the Church Misbehaving and what Christians, as good stewards, can do to resolve internal discipline issues. Discover key steps to cautiously and biblically choose leaders for the body...
