Darling Last Time is a poetry book based on one woman's perspective of the many trials and tribulations experienced through living life. This work entails words of great courage and beauty, bringing a sense of conviction and honesty to readers; male or female, aging from the late teens and on up. Darling Last Time entails the emotions experienced, as if on a timeline, through healing from physical illness, transitions which occur mentally and physically after the break-up or at the start of a new relationship(s), starting a new life, or gathering the hope and perseverance it takes to go on; despite numerous obstacles we may face in our lives. Darling Last Time also exhibits a rare sense of humor, found in poems about your normal working day, housewives and their duties at home, fast food and the grand holiday experience! Darling Last Time depicts the fashionably funny side of everyday events experienced by everyone. So, read on to experience a roller coaster ride; the towering highs and plummeting lows involved in life. Oh, and don't forget, there's a few laughs in there, too!.
