### ***Reviews***

*Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger wrote this book.*  
*(Hudson Christiansen)*

## HIGH FREQUENCY (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lauren Jacobs is a journalist with amazing powers. Able to leap cranky receptionists in a single bound. She can simultaneously suck down a doughnut hole, drink a cup of coffee, add info to her iPad and shift gears in her car on the Chicago freeway during rush hour. A reporter for the prestigious digital news journal Edition One, Lauren has won a number of journalist excellence awards. Her byline has made Edition One a digital news sensation, and her fiery exposes draw a huge readership. Unfortunately, those exposes usually require her to have the ability to run very fast, meet impossible deadlines, and hope the police never, ever find out who her father is - a con man wanted on five continents, six if you count Australia. A routine stop for morning coffee and doughnut holes gives her the story of her career and will send Chicago's dirty city officials to jail, and a fair number of mobsters into hiding. With Chicago suddenly too hot for her to be safe, editor Garrett Modesto assigns her to a mundane story on crop circles in England during the rainy season. A nice boring story, until her editor's ex-Marine buddy, who happens to be a crop circle expert, turns up dead in a really ugly way. Lauren learns there just might be more to the crop circles than artwork in a wheat field. The boring story suddenly turns into a harrowing life or death race through England, a secret room at a Midwest Air Force base, and Washington, D.C. In the midst of the chaos comes Derek Rourke, a reporter from the worst of the yellow tabloids - The...
