Can you find true love without a non-disclosure agreement after your picture is on the cover of Rolling Stone? Two musicians meet by accident in Seattle: Jason, the now infamous singer-songwriter, is at odds with the world because of falsehoods spread on the Internet. Susi, a classical musician whose previous life came off the rails, is building a new career as a music teacher, focusing on early Americana. Their separate worlds and professional yearnings quickly become entwined in unexpected ways.
